Dear Nan:

Thank you for contacting us about the project for your library. Yerges Van Liners assures you of quality service and a smooth transition during this event.

Based on Kevin's survey of the library and his discussion with you as to what needs to be done, we are quoting you a price of **$6,079.00-6,834.00.** This includes labor, fuel surcharge, and cart rental. This quote included 1 week of cart rental.

Kevin is estimating this project to take 5 days total time.
This estimate also includes dropping off the carts prior to the move and picking them up after the project is completed.

*After the project is complete, an invoice will be emailed, and it will be due within **10 days** of the invoice date.*

Please let us know as soon as possible what dates work best for you.

Sincerely,
Kori Becker
