

LIBRARY INVESTMENT POLICY

According to the “Intergovernmental Cooperation Agreement between the Village of Pewaukee and the City of Pewaukee Regarding a Joint Library Agreement” document the Village of Pewaukee is the designated Fiscal Agent for the Pewaukee Public Library. This Board of Trustees therefore affirms the current investment policy maintained by the Village (Village of Pewaukee: Financial Policy Procedure – Investment Policy).

Copies of the Village’s Investment Policy are available from the Village Treasurer and the Village Hall.
