

ADULT FANTASY TITLES

A Spell for Chameleon by Piers Anthony

Xanth was the enchanted land where magic ruled--where every citizen had a special spell only he could cast. That is, except for Bink of North Village. He was sure he possessed no magic, and knew that if he didn't find some soon, he would be exiled. Read the whole Xanth series.

Wizard's First Rule by Terry Goodkind

One man, Richard Cypher, holds the key to the fate of three nations, of humanity. But until he learns the Wizard's First Rule his chances of succeeding in his task are slim. Read the rest of the Sword of Truth series.

The Gunslinger by Stephen King

Roland of Gilead is on a quest to catch the "man in black". Sound like a western? Think again...it takes place in an alternate universe. Read the whole Dark Tower series.

Dragonflight by Anne McCaffrey

The first book in the Dragonriders of Pern series, Dragonflight follows the story of Lessa, the sole survivor of a ruling family and F'lar, wingleader and rider of a bronze dragon.

Discworld Series by Terry Pratchett

Picture a flat world balanced on the backs of four elephants which balance on the back of a giant turtle. With a setting like that, the unexpected is bound to ensue in this series.
