Calling All Artists & Anime Fans!

Are you an anime fan? Do you have some artistic talent? If you answered “yes” to these questions, then this is for you!

Create some amazing anime-style artwork and submit your creations to be displayed at the Pewaukee Public Library. Your images might also be used to help advertise the library’s new Manga & Anime Club. Please keep this purpose in mind as you create your artwork!

Any anime-style artwork may be submitted for the display, but if you would like us to consider using your images to advertise the Manga & Anime Club, please keep these preferences in mind:

1) All images must be anime-style.

2) All images should be rendered on a clean, crisp, single-color background. No smudge marks or wrinkles! This is essential for creating quality digital copies of your image, and we must have a good digital copy of your image to be able to use it in our advertising.

3) Any medium can be used to create your images so long as the image is clean and crisp. Color images are desired for advertising purposes as this will help the image stand out better, though this is not required for the display.

4) Preference will be given to images of generic, invented characters (as opposed to fan art depicting characters from an existing series). Fan art is acceptable for display in the library, though it is not preferred for our advertising needs.

5) The subject of your artwork can include (but are not limited to): A single character, multiple characters, an animal character(s), or other iconic images/objects. Be creative!

6) Though it is not required, your artwork may include or feature the words “Manga & Anime Club” and/or “Pewaukee Public Library” in your artwork.
